

Tender Document for Procurement of Equipment under DST-FIST Grant (Department of Chemistry)

CHNSO Analyser Technical Specifications

ADDENDUM

Bidders are encouraged to bid any model of the CHNSO analyser which is the latest or up-to-date in terms of technical features and supersedes the technical features mentioned in the current tender document. Considering this, with reference to point no. 8 in the Technical Specifications (Annexure-1 of the original document for CHNSO Analyser), instrument models having **electronic auto-sampler** will be preferred.
