About the University

The Central University of Rajasthan (CURaj) was established in the year 2009 by an Act of Parliament (Act No. 25 of 2009). This University was established with the aspiration to be one of India's most dynamic and vibrant universities in order to impart cutting-edge education to all the learner communities. The University is fully funded by the Government of India that provides quality education to all, especially those coming from humble socio-economic background and seeking quality education.

To date, CURaj has successfully completed a journey of 15 years since its establishment in the year 2009. In this short span of time, the University has emerged as one of the top academic institutions by adopting cutting edge technology to impart knowledge for global outreach. The University is one of the fastest-growing and flourishing institutes of higher education in Rajasthan.

In the last 15 years of its journey, the University has emerged as a green and pollution-free campus which promises to provide an aesthetic and salubrious environment to nurture and optimize academics, research, and holistic development by engaging the students and staff members in various sports and cultural activities that are crucial for maintaining the well-being of the students and nurturing their potentials. Currently, Professor Anand Bhalerao is the Honorable Vice-Chancellor under whose guidance and leadership the University is blossoming ever since he took over the charge of Vice-Chancellor, on 24th January 2022.

About the Event

Kala Utsav: A Celebration of Youth, Culture and Creativity

Kala Utsav is a vibrant cultural youth festival that brings together the essence of India's rich heritage and the creative energy of young minds. Rooted in the spirit of cultural unity, the festival serves as a dynamic platform for youth to express, share, and celebrate the diverse tapestry of Indian art, music, dance, and drama. Each aspect of the festival represents the three central themes: Ras (emotion), Raag (melody), and Rang (color), encompassing a full spectrum of India's cultural brilliance

Purpose of the Festival

Kala Utsav goes beyond entertainment; it's a mission to revive and sustain cultural heritage by inspiring young minds to appreciate and carry forward these invaluable traditions. This festival offers a space for self-expression, cultural exchange, and community building, fostering pride and respect for India's rich legacy. Join us at Kala Utsav to experience the rhythms, colors, and spirit of India as we celebrate our shared culture, bridging generations and strengthening cultural unity across the country!

Dance: Celebrating Movement and Tradition

Kala Utsav's dance events bring together a vivid array of traditional and contemporary dance forms, from classical styles like Bharatnatyam and Kathak to regional folk dances such as Garba and Ghoomar. Participants will showcase the beauty of Indian storytelling through graceful movements and rhythmic beats, celebrating the spirit of India's cultural diversity.

About the Event ..Contd.

Kala Utsav: A Celebration of Youth, Culture and Creativity

Theatre: Expressions of Life and Society

The theatre segment of Kalautsav invites audiences to experience powerful stories through drama and stagecraft. Young performers will explore themes of social change, folklore, and historical epics in productions ranging from classical plays to modern narratives. Each performance aims to inspire, provoke thought, and connect with the audience on themes relevant to our times.

Literary Events: Words that Connect and Inspire

Literature has the power to evoke deep thought and emotion. At Kalautsav, the literary events offer a platform for budding writers, poets, and speakers to express themselves. Activities such as elocution, debates, and quiz encourage youth to share ideas, embrace diverse perspectives, and celebrate the richness of language and thought.

Fine Arts: A Canvas of Culture and Imagination

The fine arts events at Kalautsav showcase the creativity and skill of young artists across India in Rangoli, poster making, photography and Mehendi. Through color, texture, and symbolism, these artworks provide a visual feast, celebrating the intersection of heritage and contemporary expression.

Music: Harmonies of Tradition and Innovation

Kalautsav's music events offer a blend of classical, folk, and modern performances that highlight India's musical heritage. From soulful classical ragas to vibrant folk tunes and popular music, these performances reflect the beauty of melody, rhythm, and harmony. Whether it's instrumental or vocal, each performance aims to create a soulful experience that resonates with audiences.

Message by Hon'ble Vice Chancellor
Prof. Anand Bhalerao
Central University of Rajasthan

Art and culture keeps the traditions alive and I extend my warmest greetings to all participants, mentors and guests to Kala Utsav 2025, the first-ever Inter-University Youth Festival hosted by Central University of Rajasthan to express themselves through art, music, dance, and drama.

Central University of Rajasthan has always been committed to fostering holistic education, encouraging students to excel not just academically but also in co-curricular and extracurricular activities. Through Kala Utsav, we are not just celebrating talent; we are nurturing voices, stories and expressions that connect hearts beyond boundaries. This festival is a canvas where colours of creativity blend with the rhythms of tradition, where every performance, every brushstroke and every melody becomes a bridge between generations.

I am assured that Kala Utsav 2025 will certainly be the space where imagination knows no limits, where diversity thrives and where young minds find the freedom to express, inspire, and innovate.

I extend a warm invitation to Universities across the nation to participate in this grand event. Your presence will make Kala Utsav 2025 even more special, transforming it into a true celebration of artistic excellence. I encourage all participants to embrace this opportunity, showcase their best and most importantly, enjoy the journey.

My appreciation to the organizing team, faculty members and everyone whose dedication and efforts have turned this grand first-ever Inter-University Youth Festival into a reality.

Wishing you all a memorable and enjoyable Kala Utsav 2025!

Thank you!

CULTURAL COMMITTEE CURAJ

About Us

The cultural committee of Central University of Rajasthan is to promote a harmonious atmosphere in the campus by engaging the students who comes from different and diverse cultural background of Indian states and from foreign nations too. The campus of CURaj is truly a replica of India with students, staffs and teachers representing more than 27 states of India. It is not the physical boundary, rather the extension of cultural horizon create a sense of being together and bonding for achieving an excellency at personal front and as an institution as a whole.

Each year, the Cultural Committee organizes a series of dynamic events under the University's annual cultural fest, SRIJAN, which is inaugurated on National Youth Day, commemorating the birth anniversary of Swami Vivekananda. This grand celebration reflects the University's commitment to preserving and promoting India's rich heritage and culture.

To achieve this, the University has hosted remarkable events such as the International Art Meet and mesmerizing performances of Rajasthani folk dances including Bhavai, Chari, and Kalbeliya. Additionally, events like Kavi Sammelans further enhance the cultural fabric of the campus.

Through these initiatives, the University aims to inspire creativity, foster cultural appreciation, and celebrate the diversity of India's heritage.

The tune of music, the colours of painting, the expressions of drama, the lines of poetry and the mystical steps of dance all together is the rainbow of cultural committee with Six clubs within it.

Library

The Central Library came into existence in 2009, along with the establishment of the Central University of Rajasthan. Presently the Library is functional in a semi-permanent building with a carpet area of about 1326 sq. ft. The Library possesses a hybrid collection (print and electronic) of learning resource materials in science, engineering, management, social science, language, humanities, sports science and yoga. The Library acts as the focal point and supports the teaching and learning processes at the University. It serves as a reservoir of knowledge accessible to the University community through highspeed intranet and internet connectivity. The Library is fully air-conditioned, Wi-Fi enabled, and has a well-established cyber library with 15 networked PC connected to LAN, which helps users access thousands of electronic resources subscribed through e-ShodhSindhu and internet resources such as NPTEL and e-PG Pathsala etc. The Central Library has a reading hall with a seating capacity of approx. 400+ students.

All the Library's routine activities have been automated using KOHA Open sources Library Management Software. Besides, Library implemented RFID technology for detecting theft and enhancing circulation services. The OPAC service is available 24/7 through the CURAJ campus-wide network.

School of Architecture

The School of Architecture envisions becoming a Centre of excellence and an important hub of knowledge exchange on all matters related to sustainable development. The School is committed to regenerative architecture and aims to develop a repository of knowledge documenting historical and traditional wisdom of the community in hot arid desert region. The focus area for the school is Waste, Water, Energy, and Human Productivity through sustainable architecture. The School envisions developing unique capacity building programs for continued education of teachers and professionals. Job oriented vocational education and skill development courses are initiated in specialized fields.

Departments:

Department of Architecture

DDU Kaushal Kendra

School of Chemical Sciences and Pharmacy

The School of Chemical Sciences and Pharmacy hosts two departments viz. Department of Chemistry and Department of Pharmacy, where both the departments are being supported by Department of Science and Technology, under Fund for Improvement of Science and Technology Infrastructure (DST-FIST). The School has the aim to disseminate quality education in both the disciplines and execute research in the allied fields. The School bridges one pure science with the other applied science promotes interdisciplinary research and caters relevant courses for the industry, for the benefit of all the stakeholder of the School.

Departments:

Department of Chemistry

Department of Pharmacy

School of Commerce and Management

Less than a decade old, the School of Commerce and Management, is ingrained with values such as diversity, inclusiveness, mutual respect, collaboration and academic excellence. The School promotes teaching and learning through innovative pedagogies and student-centric approaches. People with sound academic background, strong research orientation and complementary skill-sets have been handpicked as faculty members of the School. With high potential for growth, the School is prepared to establish itself as a center of excellence in the discipline of Commerce and Management education and research.

Departments:

Department of Commerce

Department of Management

Department of Hotel and Tourism Management

School of Engineering and Technology

School of Engineering and Technology was established in the University in the year 2010 to impart quality technical education for sustainable development. The school offers post-graduate and research programs in Engineering and Technology. The objective of the School is to play a prodigious role in achieving the vision of the University i.e., education for sustainable development. The school aims at providing excellent training to students/scholars in advanced technologies, so as to produce engineering graduates of high caliber and moral values. The School aims at being a pioneer in the field of engineering education and research. The School has currently three department i.e. Computer Science and Engineering (CSE), Electronic and Communication Engineering (ECE), and Biomedical Engineering and is expected to expand very soon to achieve its goal.

Departments:

Department of Computer Science & Engineering

Department of Electronics and Communication Engineering(ECE)

Department of Biomedical Engineering

Department of Vocational Studies and Skill Development

School of Earth Sciences

The School of Earth Sciences is committed to provide interdisciplinary knowledge in the field of environmental sciences and atmospheric science and their linkage with societal development. The prime goal of the school is to train manpower with scientific knowledge and technical skills in the field of earth sciences to serve local and global communities. The School is committed to create and effectively disseminate fundamental knowledge about Earth, its resources, and the processes by which it changes. In order to successfully pursue the vision and mission, existing departments are working in various areas related to research, education, and outreach programs in collaboration with national and international organizations.

Departments:

Department of Atmospheric Science
Department of Environmental Science

School of Life Sciences

The School of Life Sciences has been established in 2012 with an emphasis on interdisciplinary teaching and research in modern biology. The School now has twenty-four teaching staff and five supporting staff. In addition to this, numbers of postdoctoral fellows are working in the department. In the current academic session, School of life sciences has moved to its permanent building with state of art laboratory for each Faculty and Central instrumentation facility in each department. In the new building SLS also have modern seminar halls, auditorium and smart classes.

Departments:

Department of Biochemistry
Department of Biotechnology
Department of Microbiology

School of Humanities and Languages

The School is composed of dedicated and talented faculty whose mission is to cultivate awareness of Interdisciplinary understanding and sensitivity to the ideas and human values characterizing human discourse, thought, experience and achievement. Literature, Languages and philosophy turn the students into analytically sound, critical, discerning thinkers, who are aware of the cultural, political, and economic issues shaping our world. The School offers a technology-enhanced curriculum that encourages open-mindedness and an informed consideration of the human tradition. The many beliefs, histories, and words of our collective cultural heritage strengthen the literature studies imparted for the transmission of knowledge

Departments:

Department of English
Department of Hindi
Department of Linguistics

School of Mathematics, Statistics and Computational Sciences

The School strives to sensitize and train young students as future researchers in the frontier areas of applied fields, adopting the multi-disciplinary and inter-disciplinary approach. The school also trains the students for Research and Development of ICT and related industries and research organizations. The Mathematics department of this school is running a program to prepare Mathematics teachers both for higher as well as at plus two level. Various innovative programs have been initiated by the departments of this School for local and global need.

Departments:

Department of Computer Science
 Department of Data Science & Analytics
 Department of Mathematics
 Department of Statistics

School of Social Sciences

The School of Social Science has five major innovative academic departments: Public Policy, Law and Governance, Economics, Social Work, Media and Culture Studies and Department of Society-Technology Interface. The curricula developed and taught in all the Departments are modernized and improved considering latest academic trends of the disciplines. The faculties of the School representing established Universities of the Country have done significant academic works. Amounting more than 50 Lakhs Project Grants have been accrued by very talented faculty members of the School from various external agencies like National Commission for Women (NCW), DST, UGC-MRP and ICSSR. In the Academic Year (2017-18), Two new academic programmes have been launched like Two-Years Master's Program on Digital Society and One-year PG Diploma in Cultural Informatics in the School. This PG Programmes are specialized inter-disciplinary courses linking both the academic trends of Social Sciences and Digital Technology.

Departments:

- Department of Economics**
- Department of Culture & Media Studies**
- Department of Public Policy, Law and Governance**
- Department of Social work**
- Department of Society - Technology Interface**

School of Sports Sciences, Yoga and Education

The School of Sports Sciences was established in May 2018 with the support of the Ministry of Youth Affairs and Sports, Govt. of India. The School of Sports Sciences aims to carry out active teaching and research in the various fields of Sports Sciences. The Master programs of this school would enhance the knowledge of the students in sports sciences and improve their level of understanding with underlying scientific principles in sports sciences. The courses would emphasize on both theoretical and laboratory aspects which would help the students to enrich and sharpen their knowledge both in instrumentation techniques and software based simulations in sports sciences.

Departments:

Department of Sports Bio-Sciences

Department of Sports Biomechanics

Department of Sports Psychology

Department of Education

Department of Yoga

School of Physical Sciences

The department of Physics at Central University of Rajasthan was established in the academic year 2011-12 to offer 2-years M. Sc. Physics program with an intake capacity of 20 students. The department has excellent state-of-art laboratories for the undergraduate and post graduate teaching as well as for research. The department follows the best teaching practices in the core area of physics with a motto of learner centric teaching and gives exposure to the students about the latest research through summer internship/project and a semester long research project

Department of Physics

Interdisciplinary School of Health Sciences

The central university of Rajasthan was established in 2009 by an act of Parliament by the Indian government with the mission of providing quality education to all sections of society, particularly the poor, and with a vision of education for sustainable development. Continuing with the motto and concept of its establishment and concept, we are in the continuous process of imparting quality education for all sections of society, equipping them with informed knowledge in their area, and making them inclined towards their goals both professionally, personally, and socially. We are committed to producing graduates capable of leading society in the direction of prosperity and fraternity. The university has master's program in Biotechnology, Biochemistry, Microbiology, and a B.Tech. program in Biomedical Engineering. The School of Interdisciplinary Health Sciences is established from AY 2024- 25. Students studying multidisciplinary health sciences are encouraged to approach today; complicated health challenges from several viewpoints. Earning this degree provides students with a well-rounded knowledge of health that may be tailored to their unique employment goals. The program's courses are designed to give students with the information and skills required to pursue a variety of scientific and professional health-related occupations. Students can study an individualized program by selecting one of three areas of specialization of applied Health Sciences.

Abhinaya - Drama/Theatre Club

Theatre has always been an integral part of society as it helps in creating a dialogue across spectrums. Theatre as an art form not only entertains but it also helps in communicating the issues of relevance. The Drama Club 'Abhinaya' has been a crucial component of student life at the Central University of Rajasthan. The club encourages students to come forward and participate in a number of events. The club organizes a university level theatre competition every year that allows students to compete in various categories such as Stage Play, Street Play, Skit, Mime, Mono Act, etc. The Club remains active all throughout the academic calendar by organizing a number of performances.

Abhinaya has been participating in the National level Inter-University Youth Festival. Participation of such a stature allows students to learn nuances of acting while competing with some of the finest Drama teams from across India. Abhinaya makes sure that anyone who is interested in acting must get a chance to show his/her talent. Therefore, every year University level audition is conducted to form a team that can represent the club as well as the University.

Kala-Kriti - Fine Arts Club

Art and creative expressions are an essential part of our soul that gives us energy, happiness and ability to think on canvas. The canvas is wide enough, a wall while it is graffiti, or a hand while putting mehendi, a paper for a poster, or floor for Rangoli. Every culture has its unique form of painting, drawing and expression with lines and colours. The Art club organizes various events to encourage different forms of art like, doodling, sketching, poster making, installation, flower arrangements, etc. throughout the year in various occasions that cultivates the artistic minds and creations.
