**Message by Hon'ble Vice Chancellor  
Prof. Anand Bhalerao  
Central University of Rajasthan**

It is with great pride and enthusiasm that I extend my heartfelt congratulations on the launch of Academic Session January 2026 of the Open and Distance Learning (ODL) programmes at the Central University of Rajasthan. This initiative is a significant step towards expanding access to quality higher education, enabling learners from diverse backgrounds to pursue their academic aspirations without geographical constraints. This is a transformative step ensuring that quality learning opportunities reach every corner of the nation.

At CU Rajasthan, we have always been committed to fostering academic excellence, innovation and inclusivity in higher education. The launch of ODL programs reflects our strong commitment to making education more inclusive and far-reaching. These programmes have been carefully structured to benefit a wide range of learners, including working professionals, students from remote areas and individuals looking to enhance their skills. By offering flexible, accessible and high-quality education, we aim to ensure that learning opportunities are within reach for all.

In alignment with the National Education Policy (NEP) 2020, our ODL programmes integrate modern pedagogical approaches, technology-enabled learning and industry-relevant curricula. Through innovative teaching methodologies, digital resources and a learner-centric approach, we aim to empower individuals with knowledge and skills that cater to the evolving demands of society and the workforce.

This endeavour would not have been possible without the relentless efforts of our esteemed faculty, dedicated academic and administrative teams and the continuous support of the regulatory bodies. I express my sincere gratitude to all those who have contributed to making this vision a reality.

As we embark on this new chapter, I encourage all learners to take full advantage of the opportunities presented by the ODL programs at CU Rajasthan. Education is the foundation of progress and through these initiatives; we aspire to empower individuals with knowledge, skills and confidence to contribute meaningfully to society.

Best wishes to all learners on this journey of knowledge and self-development with CU Rajasthan!

Thank You!

## About the University:

The Central University of Rajasthan (CURaj) was established in the year 2009 by an Act of parliament (Act No. 25 of 2009). This University was established with the aspiration to be one of the India's most dynamic and vibrant universities, to impart education to all the learner communities. The University is fully funded by the Government of India that provides quality education to all, especially those coming from humble socio-economic background and seeking higher education.

CURaj has successfully completed a journey of 17 years since its establishment in the year 2009. In this short span of time, the University has emerged as one of the top academic institution by adopting cutting-edge technology to impart knowledge for global outreach. The University is one of the fastest-growing and flourishing higher education institution in Rajasthan. University's commitment to inclusivity reflects its dedication to fostering a supportive learning environment that empower students to achieve their academic and professional aspirations.

It got A++ Grade (3.54 CGPA) from the NAAC, and designated as Category-I Institution by the UGC. It stands in 100 top Universities of the Country (89<sup>th</sup> Rank by NIRF-2025 in the University Category and 27<sup>th</sup> Rank in Pharmacy). Recently it has been put at the 651<sup>st</sup> rank in QS Asia University Ranking 2026.

## Vision

Sustainable Development through Excellence in Education, Innovation, and Performative Societal Change.

## Mission

- To create and sustain an inclusive environment that inspires students to undertake an intellectually challenging, socially engaging, and transformative learning experience.
- To develop an ecosystem for research and innovation wherein individual potential can be harnessed to provide sustainable solutions for global concerns.
- To impart value-based holistic education and develop resilient and skilled human resources that contributes to nation building.

## About the CDOE (Centre for Distance and Online Education)

The Central University of Rajasthan (CURaj) is set to enhance its academic offerings by establishing a Center for Distance and Online Education (CODE). This initiative aims to provide quality education to individuals who are deprived or unable to continue their education through traditional means. The new center will serve as a vital resource for students seeking flexible learning options, ensuring that education is accessible to all, regardless of their circumstances. All the ODL and Online Programmes of the University will be offered to the students through this Centre. By introducing the ODL and Online Programmes, CURAJ envisions creating a fulcrum that supports the dreams of students who may face barriers to education. This initiative will not only facilitate learning but also contribute significantly to the overall development of the community by equipping individuals with the knowledge and skills necessary for success. Learner Support Centres (LSCs) across Rajasthan are being envisaged to be established to democratized and disseminate education for flexibility and convenience of learners.
