ABOUT UNIVERSITY

The Central University of Rajasthan (CURaj) was established in 2009 by an Act of Parliament as a new Central University and is fully funded by the Government of India. In order to meet the challenges of the knowledge era and to keep pace with the knowledge explosion in Higher Education, the Central University of Rajasthan is committed to inculcating and sustaining quality in all the dimensions of Higher Education viz. teaching, learning, research, extension and governance while catering to the regional and global needs. CURaj offers more than 73 Masters and PhD programmes in its 32 departments. CURaj is accredited 'A' grade by NAAC. CURaj has been granted more than 200 National/International research projects amounting more than Rs. 35 Crores. The University operates from its permanent campus of 518 acres (approx.) and it has adequate hostels housing nearly 2000 students in the campus.

TEACHING LEARNING CENTRE (TLC@CURaj)

Teaching Learning Centre (TLC@CURaj) at Central University of Rajasthan was established in the year 2017-18 with a vision to support evidence-based teaching and provides diverse opportunities for teachers. It is funded by Ministry of Education, Govt. of India under the Scheme of Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNTT). It is envisaged to help teachers to modernize their teaching style and inculcating, innovative and effective pedagogical practices, so that they can impart concepts and information in a meaningful and interesting way among the learners so that they can learn more deeply and effectively. TLC@CURaj completed nearly 3 years and organized successfully 21 programs (workshops/induction programs/refresher courses) in multiple disciplines (Education, Statistics, Science, Pharmacy, Computer Science and Management etc.). A total number of 1233 teachers successfully participated in these workshops and other programs from the different parts of India organized by TLC@CURaj.

ABOUT THE PROGRAM

In this modern age of teaching learning process it becomes extremely significant that a teacher must be well equipped not only with subject knowledge but should be well acquainted with effective teaching techniques and evaluation methods. The goal of effective teaching and learning is the overall development of a learner as a good human being and citizen of this country.

In this Faculty Development Program, it is intended to familiarize participants to the emerging issues of internet-based culture and digital age learning. Learners will explore the use of emerging technologies and their integration into higher education. Special emphasis will be given to the student feedback analytic software along with hands on training sessions.

The focus will also be on the importance of value education, designing of learning outcome based curriculum etc.
